

How to correctly measure your body

A Chest men

Measure at the top of the armpit, over the nipple.

B Chest women

Measure at the top of the armpit, at the widest point of the chest.

C Waist

Measure directly over the navel/hip comb.
Do you prefer a lower waist? Please send us your measurements.

D Hip

Measure at the widest point of your hips.

Important!

1. Measure in underwear, without shoes
2. Stand as relaxed as possible
3. Do not subtract or add to the measurement
